A great day out for all the family, book early to avoid disappointment. Numbers limited to 53. Please let Ian or Niki know if you'd like to go.

This much sort after pilgrimage to Charmouth on the Dorset Coast is back once again by popular demand! Beach, BBQ, soft drinks or beer for everyone. A well-stocked coach will leave the Leisure Centre at 9.30am and will return at ~9pm

Seasoned Charmouth Goers will laugh in the face of the Golden Cap, the highest point on the South Coast. For those not so familiar with the race, the course is a hilly multi-terrain course of about 8miles, including the ascent to the Cap and 1 or 2 other climbs! The Fun Run is approximately 2.5miles and is suitable for children age 6 and upwards.
